Cell phone use is encouraged as a means of emergency contact on driving runs. Do you have a personal cell phone, and will you be bringing it with you during your scheduled shift?

YES  NO What is your cell phone number: \_\_\_\_\_

Wings gas allowance is available upon request. Some drivers will donate their own gas for a few pick-ups, while submitting receipts for gasoline reimbursement for other pick-up calls. Some drivers never ask for reimbursement of their gasoline expense. Will you need a gas allowance to cover costs for every pick up and return to Wings Head Office?

YES  NO

Are you insured and do you have adequate auto liability insurance?

YES  NO

Do you understand that domestic animals and wildlife share diseases which can be passed from one species to another. Your domestic pets should never accompany you on a wildlife pickup call. Will you abide by this condition?

YES  NO

Do you agree that in the event of a medical emergency, car trouble or accident while transporting wildlife, that Wings Head Office will be contacted immediately, so that an alternate driver can be dispatched to assist in the transfer/transport of your wildlife passengers?

YES  NO

Are you aware of any health condition or medication you are taking that may affect your vision, hearing, perception, reflexes, flexibility or judgment while driving?

YES  NO

Will you check road conditions before each drive and contact Wings Head Office if you are concerned about safe driving due to these conditions?

YES  NO

What should you do if a wildlife pickup seems unsafe?

The safety of our volunteer drivers is of utmost importance to Wings. If you come across a situation that seems unsafe, such as a vicious dog, inaccessible or blocked entrance, drunk and disorderly finder or domestic dispute, please do not risk your well being. Instead, contact Wings Head Office immediately, so that emergency actions can be taken and the obstruction or problem can be resolved. Never leave your keys in your car, or your car unlocked or running in your absence. Do you agree?

YES  NO

Are you prepared to do a small amount of paperwork by recording vital pre-submission information, point of capture and the finder's contact information on a Wings Intake form?

YES  NO
